9. Solar Incentive refers to the financial benefit which can result from creating or assigning the right to create Small-scale Technology Certificates (STCs). To receive the financial benefit of STCs for the installation of a solar water heater or heat pump water heater:
- a. It is the Owner of the system at the time of its installation who has the right, under the Act, to create or assign their right to create Certificates to a Registered Agent for the installation of an eligible solar hot water or heat pump. No other person or entity can legally create or assign the right to create Certificates unless contractually agreed.
 - b. You can create Certificates directly by registering with the Clean Energy Regulator and become an Agent or you can assign your right to create Certificates to a registered Agent such as Rheem Australia Pty Ltd (Rheem) ABN 21 098 823 511. You are not obliged to assign your right to create Certificates to Rheem. If you choose to do so, you will receive the financial benefit either by Point-of-Sale Discount or after the Certificates have been created.
 - c. The time at which a water heater is taken to have been installed (date of installation) is the date when it is first able to produce and deliver hot water heated by both solar energy and its booster and is capable of delivering hot water day or night.
 - d. Rheem will not pay compensation for any variance and reserves the right to change the price offered for Certificates without notification. Rheem will pay their rate for STCs as at the day of receiving the STC Assignment form.
 - e. The Rheem STC Assignment form and required supporting documentation, with all required information complete and correct, must be received by the Rheem Administration within 11 months of the installation date, in order to allow the creation of Certificates by Rheem, otherwise a financial benefit may not be paid. Certificates must be created within 12 months of the installation date.
 - f. For information on STCs please visit the Clean Energy Regulator website <https://www.cleanenergyregulator.gov.au/RET/How-to-participate-in-the-Renewable-Energy-Target>
